FAN FRIENDLY

Miller Park will feature a four-tier seating bowl consisting of the field level, loge level, club level and terrace level.

Inclement weather is no longer a factor as Miller Park's seven panel roof, capable of closing in 10-12 minutes and raising the temperature 30 degrees warmer than the outside conditions, ensures enjoyable conditions year around.

Considered by many to be the best in Major League Baseball, the new scoreboard in Miller Park will be located beyond the center field wall consisting of two parts – a 48-by-37 foot color video board and a 76-by-32 foot monochrome matrix board.

The Hot Corner, located in the left field corner of Miller Park, gives fans a reason to be out at the ballpark year-around.

The Hot Corner will consist of:

- The .300 Club offering comfortable surroundings in a multi-tiered dining area and sports lounge highlighted by a panoramic view of the park from the left field corner on the club level.
- The Big League Blast, a new interactive area at the ballpark, will be set up on the loge level providing a variety of activities for fans of all ages. The interactive area will give fans the opportunity to test their baseball knowledge and skills in addition to lacing up their shoes and running with the sausages.
- Open 363 days a year, Friday's Front Row Sports Grill at Miller Park overlooks left field offering great food, great sports entertainment and a spectacular view of the ballpark on the field level.
- Adjacent to the Friday's Front Row Sports Grill on the field level, the new 5,500 square foot Fan Zone will be the home for authentic Brewers merchandise and the Autograph Alley, an exhibit featuring baseballs autographed by sports legends and fans throughout the world.

MILLER PARK

It's all here under one roof.

The future has arrived.

Miller Park, the new home for the Milwaukee Brewers, is ready to offer fans a one-of-a-kind entertainment experience.

The ballpark is the only one in North America to feature a convertible, fan-shaped roof guaranteeing that baseball will be played, even on the most inclement of Wisconsin days.

The roof features seven panels to cover the fans from the weather elements. Each roof panel is the equivalent of one Bradley Center roof in downtown Milwaukee. The entire roof will be able to close in 10 minutes and at its outside height reaches 330 feet.

With a creative and unique split-bowl, seating configuration, fans are closer to the action than they have ever been before in Milwaukee. The four seating levels (the Field Level, the Loge Level, the Club Level and the Terrace Level), with 42,500 seats, give fans four great options and also four front rows from which to choose at Miller Park.

There are 70 suites at Miller Park including 20 Founders Suites located in the Field Level seating. They are the best suites in baseball. There are 50 suites on the Club Level, including several behind home plate affording suite holders a view of Brewers action unparalleled in Milwaukee baseball history.

The field dimensions at Miller Park, designed with the input of Hall of Famer and Brewers legend Robin Yount, are asymmetrical. The left field line is 344 feet; the left field power alley is 371 feet; straight-away center field is 400 feet; the right field power alley is 374 feet; and the right field line is 345 feet. The field has a natural grass playing surface.

How The Roof Works

The Miller Park roof can open or close in about 10 minutes.

Three panels move over a fixed panel on the third base side and two panels move over a fixed panel in the first base side.

The roof panels pivot off a point behind home plate. Each panel is attached to a 60-horsepower engine called a bogey that moves along a semi-circular rail system about 150 feet in the air on the outfield exterior wall or track beam.

BREWERS TO HOST 2002 ALL-STAR GAME

Major League Baseball has awarded the 2002 All-Star Game to the Milwaukee Brewers and their fans throughout the State of Wisconsin.

Hosting the event now means hosting a week of festivities that include FanFest - a celebration of baseball for all ages. Downtown Milwaukee's Midwest Express Center will house FanFest for All-Star Week. The 73rd Mid-Summer Classic will be played at Miller Park on July 9, 2002 and will conclude the festivities that are expected to have a local community economic impact of between \$65 and \$70 million.

Milwaukee has hosted two previous All-Star Games, both won by the National League. The Braves were hosts in 1957 when St. Louis' Stan Musial hit a game-winning, 12th-inning homer to give the National League a 6-5 victory.

In 1975, the National League won, 6-3, with Henry Aaron playing in his 24th and final, and the Brewers first All-Star Game.

and features the same infield mix as what existed at County Stadium, which had one of the best playing fields in Major League Baseball.

Miller Park offers fans upscale amenities including the .300 Club restaurant, TGI Friday's Front Row restaurant, an interactive area called the Big League Blast, an enormous and enticing novelty store called the Fan Zone as well as meeting rooms with amazing views of Milwaukee, all in the "Hot Corner" located in the left field area. The "Hot Corner" is open year-around to give fans and visitors a chance to enjoy Miller Park at any time.

One of the truly remarkable features of Miller Park is the beautiful color replay board and full scoreboard located in straight-away centerfield. The color replay board is 48x37 feet and gives fans

a crystal clear view of exciting replays and highlights that they have never had in Milwaukee before. The 76x32 foot matrix board provides fans with all of the pertinent information regarding the action on the field.

Miller Park also features "Home To Heroes", a series of colorful murals depicting five great industries of Wisconsin tied to the five eras of baseball in the state, beginning with the American League Brewers of 1901 and continuing to the current and future Brewers. These murals are displayed throughout Miller Park.

The Miller Park experience will extend to the parking lots as well. Miller Park will essentially become a "park within a park" with landscaping, which accentuates the great Wisconsin tradition of tailgating.

Miller Park construction began in October, 1996 with the official groundbreaking date on November 9, 1996. The ballpark is being funded by a 0.1% sales tax in five counties including Milwaukee, Racine, Waukesha, Ozaukee and Washington counties. The Brewers are contributing \$90 million to the project, including a 20-year, \$41.2 million naming rights deal with the Miller Brewing Company.

Visiting media wishing to tour Miller Park should contact the Brewers Media Relations Department prior to coming to Milwaukee.

WENDY SELIG-PRIEB

President and Chief Executive Officer

Wendy Selig-Prieb was named President and Chief Executive Officer of the Milwaukee Brewers on August 4, 1998, replacing her father, Allan H. (Bud) Selig, who left the position to serve as Commissioner of Major League Baseball. Selig-Prieb, who joined the club in 1990 as General Counsel, had assumed more responsibility for day-to-day operations when her father took over as Chairman of Baseball's Executive Council in September 1992.

The 2001 opening of Miller Park - a fan friendly, world class ballpark, is the culmination of a 10-year mission for Selig-Prieb and the realization of her vision of the ultimate entertainment experience.

It is that vision coupled with her commitment to providing a championship baseball team for the fans of Wisconsin that will lead the Brewers in the 21st century. In making a decision that is critical to the club's future, Selig-Prieb selected Dean Taylor in September of 1999 to oversee the Club's baseball operations. With an experienced management team, who are regarded as innovations and leaders in the areas of scouting and player development, the Brewers have created a solid blueprint for the future.

Selig-Prieb, a life-long fan of the game believes in it's traditions and understands the responsibility of a team to its community. Under her leadership, the Brewers have rededicated themselves to the community and enhanced their involvement, including the creation of Brewers Charities, Inc., in support of charities, activities and programs serving youth and the underprivileged throughout the State of Wisconsin.

Selig-Prieb is the only female Chief Executive of a Major League Baseball club and at 41, she is the second youngest club president and CEO behind the Pittsburgh Pirates' Kevin McClatchy (38). 2000 Minor League Player of the Year Ben Sheets - Indianapolis/Huntsville

Ben capped off his second season as a professional in grand fashion blazing a path through Double A Huntsville, Triple A Indianapolis and finally through the Olympics as he led Team USA to gold, defeating international powerhouse, Cuba, in the grand finale at Sydney, Australia. Entering the 2000 campaign, having made just seven starts in his initial run in the professional ranks, Sheets posted a 5-3 mark and a 1.88 ERA in his first look at Double A competition. He followed that run with a 3-5 record and a 2.87 ERA in 14 appearances, 13 starts at Indianapolis. The final destination for the 22-year old righthander was the Olympics where he would finish with a 1-0 record, a 0.41 ERA and a dramatic three-hit shutout over Cuba to win Olympic Gold.

First Half: 41-26 (.612)/First Place

Second Half: 30-38 (.441)/Fifth Place

The Beloit Snappers started the 2000 season with a solid first half, finishing with a record of 41-26, good for the Western Division First Half championship. The second half wasn't as kind though, as the Snappers finished in fifth place with a 30-38 record. The Snappers were however, able to turn around their second half skid just in time for the Midwest League playoffs, as they stormed their way to a League Championship Series showdown with the Michigan Battlecats (Astros). The Western Division champions season fell short as they were shut down three games to none as the Battlecats claimed the Midwest League crown.

Prior to his promotion to Huntsville, Snappers catcher Lance Burkhart led the Snappers offensive charge with 17 home runs and 64 runs batted in. Combined with his stats from Huntsville, Burkhart finished the 2000 season as the organizational leader in home runs (23) and runs batted in (83). Outfielder Ryan Knox led the team with 125 hits and 42 stolen bases.

Prior to his promotion to the Mudville Nine on August 3, Snappers ace Jose Mieses led the team to the first half Western Division crown with spectacular pitching. Mieses compiled a 9-2 first half record along with a 2.10 ERA and won an impressive nine straight decisions from April 30th - June 22nd. He finished his stint with the Snappers 13-6, with a 2.53 ERA as well as a team-high 132 strikeouts and was named the Brewers Pitcher of the Month for May.

2000 Final Record: 26-50 (.342)/ Northern Division

First Half: 12-26 (.316)/Fourth Place

Second Half: 14-24 (.368)/Third Place

The Brewers had a rough 2000 season, their final season in Helena, finishing 28-50 overall in the Pioneer League. After making a playoff appearance in 1999, the Brewers posted a dismal 12-26 record to finish in fifth place for the first half. The second half proved to be just as tough, as the Brewers struggled to a fourth place finish with a 14-24 mark.

First baseman Robert Voltz provided one of the few bright spots for the Brewers, leading the team in power offense with 12 home runs and 53 RBI while batting .285. Catcher Jason Belcher also put together a solid season, finishing with 4 home runs, 36 runs batted in, and a team-high, .333 batting average.

Roberto Maysonet led the Brewers pitching staff with 84 strike outs and 78.2 innings pitched. Michael Shwam came out of the bullpen to notch nine saves with a 3.95 ERA and 34 strike outs.

Second Half: 21-16 (.568)/Second Place

The Raptors improved on a dismal 1999 season, finishing both the first and second halves of the 2000 season in second place. The Raptors then proceeded to capture the wild card and boost themselves into the Pioneer League Playoffs. Their postseason was short lived however, as they fell to Idaho Falls (SD) in the first round, two games to one.

Third baseman Daryl Clark paced the Raptors offense with 15 home runs and 64 runs batted in. Outfielder Cristian Guerrero added some punch to the lineup with 12 home runs, 54 runs batted in, 24 stolen bases, as well as a team-high .341 batting average.

Roberto Miniel gave a solid effort for the Raptors pitching staff, finishing 9-3 with a 2.70 ERA. Ruddy Lugo led the Raptors with 91.2 innings pitched and 88 strike outs. Daniel Hall came out of the bullpen to save 11 games with a 3.81 ERA.

DSL BREWERS

Dominican Summer League (Rookie)

2000 Final Record: 41-34 (.547) Santo Domingo East Division Champs

The Brewers put together another impressive season in the Dominican League closing out their fourth consecutive campaign with a plus-.500 record. Skipper Mike Guerrero led the team to a 41-34 mark good enough for the Santo Domingo East Division Championship.

Speed was the story for the Dominican entry as five players stole 10-or-more bases during the drive to the title. Juan Mendoza led the charge swiping 18 bags for the Brewers. On the offensive front, Mario Mendez (.349), Aldrin Urbaez (.321) and Florian Villanueva (.322) served as the catalyst to provide the essential spark. Villanueva proved to be a fan of the long ball leading the Brewers' Dominican squad with 10 bombs while driving in a team-high 51 runs.

Jesus Chirinos and Alexander Correa proved to be the aces of the staff with seven victories a piece. Germain Fenelon and Luis Nova each posted six victories for the Dominican staff.

MILLER PARK FACT

The main Miller Park scoreboard will be the best scoreboard in Major League Baseball. It will consist of two parts—a 48-by-37 foot color video board and a 76-by-32 foot monochrome matrix board. The SACO Smartvision color video board will show instant replays, videos and other graphics.

In comparison, the old County Stadium scoreboard, in operation since 1980, was the last black-and-white video scoreboard in Major League Baseball. The video replay board measured 40-by-30 feet and the matrix board was 30-by-24 feet.

MILWAUKEE BREWERS WITH 200 HIT SEASONS

Three players have surpassed the 200 hit mark in one season while wearing a Brewers uniform, led by Cecil Cooper, who accomplished the feat three times. Cooper set a club record in 1980 when he pounded out 219 hits. He also accomplished the feat in 1982 (205) and 1983 (203). Paul Molitor reached the 200-hit plateau in 1982 with 201. Robin Yount (210) has also accomplished the feat, as Yount, Cooper and Molitor finished 1-2-3 in the American League in hits in 1982, marking the first time that has happened since the 1915 Detroit Tigers.

DID YOU KNOW?

Baseball's All-Time Home Run King, Henry Aaron, hit his 755th and final home run at County Stadium on July 20, 1976 off California's Dick Drago. Aaron hit 195 of his Major League leading homers at County Stadium.

Brewers RETIRED NUMBERS

Hank AARON

Born: 2/5/34 in Mobile, Alabama

Bats/Throws: R/R

Position: Outfield

Years in Milwaukee: 1954-65, 75-76

Hammerin' Hank had his famous number "44" retired after the conclusion of the 1976 season. Aaron played baseball in Milwaukee from 1954 through 1965 with the Braves and in 1975 and '76 with the Brewers. He was elected to Baseball's Hall of Fame in 1982 after closing out his career with a record 755 home runs. He was the National League's MVP in 1957, the year the Braves won the World Series. Aaron also hit 40-or-more home runs in eight seasons, drove in 100-or-more runs 16 times and had a .305 lifetime batting average.

Rollie FINGERS

Born: 8/25/46 in Steubenville, Ohio

Bats/Throws: R/R

Position: Pitcher

Years in Milwaukee: 1981-85

The man who made the Handlebar Mustache famous had his number "34" retired on August 9, 1992 in ceremonies at County Stadium. Fingers, who was elected to Baseball's Hall of Fame in 1992, spent five seasons in a Brewers uniform. He made his mark on the baseball world as the games first relief ace. Fingers also won both the Cy Young and Most Valuable Player awards in 1981, the first pitcher to accomplish the feat since Oakland's Vida Blue in 1971.

Robin YOUNT

Born: 9/16/55 in Danville, Illinois

Bats/Throws: R/R

Position: Shortstop/Outfield

Years in Milwaukee: 1974-93

The Kid had his legendary number "19" retired in ceremonies at County Stadium on May 29, 1994. Yount played his entire 20-year career with the Brewers from 1974-93 breaking into the big leagues at the tender age of 18. Yount won Most Valuable Player awards in 1982 and 1989. He became the 17th player in baseball history to record 3,000 career hits when he accomplished the feat on September 9, 1992 against the Cleveland Indians at County Stadium with a single off Jose Mesa. Yount became the first player to enter the National Baseball Hall of Fame as a Brewer after being inducted on July 25, 1999.

Jackie ROBINSON

Born: 1/31/19 in Cairo, Georgia

Bats/Throws: R/R

Position: Second Base

Years in the Majors: 10

The man who broke baseball's color barrier as a Brooklyn Dodger had his number "42" retired by Major League Baseball in 1997. The Brewers honored Robinson in special pre-game ceremonies at County Stadium July 18, 1997. Former Brewers pitcher Scott Karl was the last Brewer to wear number "42" as a tribute to Robinson.

Paul MOLITOR

Born: 8/22/56 in St. Paul, Minnesota

Bats/Throws: R/R

Position: Infield

Years in Milwaukee: 1978-92

"The Ignitor" had his number "4" retired by the Milwaukee Brewers prior to their game against the Minnesota Twins on July 11, 1999. Molitor's career in Milwaukee spanned 12 seasons and was highlighted by the 1982 World Series in addition to an exhilarating 39-game hitting streak while playing with Team Streak during the 1987 season. During the ceremony, Molitor said that should he be elected into the Baseball Hall of Fame, he would be honored to enter as a Milwaukee Brewer. He will be eligible to appear on the ballot for the first time in 2003.

Brewers **POST-SEASON HISTORY**

1981 AMERICAN LEAGUE EASTERN DIVISION SERIES

Milwaukee vs New York

For the first time in Major League history, a divisional playoff series was established because of the split season. In the American League Eastern Division, New York, winners of the first half confronted Milwaukee, winners of the second half. It was the 34th time the Yankees participated in post-season action, while it marked the first appearance in playoff competition for the Brewers. New York took the best of five series, three-games-to-two and swept three games from Oakland to earn the American League Championship. The Yankees lost to the National League Champion Los Angeles Dodgers four-games-to-two in the 78th World Series.

The Series was tied three times and each club held the advantage twice in the see-saw battle. The Cardinals won their ninth World Championship by downing the Brewers four-games-to-three, including winning the final two games in St. Louis. MILWAUKEE COUNTY STADIUM

1953-2000

On Thursday, September 28, 2000, 56,354 fans visited Milwaukee County Stadium for the last time, the largest regular season crowd in stadium history.

While the results of the day's baseball game between the Brewers and the Cincinnati Reds were not what Milwaukee fans were looking for, an 8-1 loss, the celebration after the game to commemorate the 48 years of the ballpark's life were a memory to be cherished for generations to come.

The greatest names in County Stadium sports history donned their uniforms one last time for a run across the field. There were Hall of Famers in attendance including Baseball greats Henry Aaron, Warren Spahn and Robin Yount and football heroes such as Willie Davis, Jim Taylor and Fuzzy Thurston.

There were 48 fan favorites in their Brewers colors, Braves colors and Packers colors. Each had their own great story about playing in County Stadium. Each notched their own part of County Stadium history.

There were three of the great voices in sports to describe the action again at the old ballpark as Bob Uecker, Merle Harmon and Earl Gillespie introduced the players. For most in the crowd, it took them back to their greatest times at County Stadium.

County Stadium hosted more than 64 million fans to Wisconsin sporting events in its 48 years. There were World Series games featuring the Milwaukee Braves and the Brewers, Major League All-Star Games in 1955 and 1975, and Packers contests during the late-50's and into the '90's.

The memories of County Stadium and its great events, will always be cherished and passed on from generation to generation.

County Stadium will be memorialized with the development of a Little League field on its site so that children will have the chance to play where so many legendary stars performed. This special field will be ready for action in 2002.

Bob Uecker's County Stadium Eulogy

County Stadium, here you are in all your glory. Forty-eight years have slipped away like a blink of an eye. Yet the memories housed within your walls will live forever.

At first, you were called a jewel in the waiting . . . though soon a suitor would come calling.

You promised to welcome all who visited. And they came, first by the thousands, then by the millions.

A champion was born in your midst, and you stood proud when the rest of the world wondered how. Yet, those good times would not last.

Brokenhearted, unwanted emptiness became sadness. Yet you never asked why. For perhaps, just perhaps, you alone knew, that the spring would bloom again.

Oh how you have changed in so many ways. Yet one thing remains: a bond between heroes and fans, and an ambition to succeed.

It was here that boys became men, men became champions and champions became legends.

It is a very sad time for me, for I have been here as a fan, as a player and, for the last 30 years, as a broadcaster.

But tonight, tonight is the final curtain; it's time to say goodbye.

We will never forget you. For what was, will always be. So long old friend, and good night, everybody.

Milwaukee Brewers **ANNOUNCERS**

BOB UECKER

Radio Announcer

This season, Bob Uecker, the illustrious "Voice of the Brewers," will broadcast his 31st year of Major League Baseball for his hometown team. Uecker returns to do play-by-play on WTMJ-Radio and the Brewers Radio Network.

Affectionately known across the country as "Mr. Baseball," Uecker is in his 22nd season as the club's number one announcer. Uecker is well respected in the industry, earning Wisconsin Sportscaster of the Year five times during his career. He was inducted into the Wisconsin Sports Hall of Fame in 1998.

A 1969 visit with Al Hirt, a renowned jazz trumpeter from New Orleans, altered Uecker's life forever. Hirt opened a small nightclub in Atlanta and asked him to come on stage prior to that night's headliner, Don Rickles. Uecker displayed a deadpan stare that challenged and broke up the satirical comic. Hirt was so impressed he arranged an appearance for Uecker on the "Tonight Show," starring Johnny Carson. Uecker became one of Carson's favorite guests, making some 100 appearances before the Late Night host retired in 1992.

Uecker became a national celebrity and the ABC Network took advantage of his popularity. He made appearances on the "Superstars" and "The Midnight Special" which opened the door for more elaborate appearances.

A versatile talent, Uecker's credits go far beyond guest appearances and play-by-play. In 1985, Uecker launched a television acting career as one of the stars of ABC's sitcom "Mr. Belvedere," which put 100 episodes into syndication. He also hosted two syndicated television shows, "Bob Uecker's Wacky World of Sports" and "Bob Uecker's War of the Stars." He was one of the Miller Lite All-Stars in popular commercials for Lite Beer from Miller. Uecker was type cast as a radio announcer in the film "Major League" filmed at County Stadium, and stole the show in the sequel, "Major League II."

The snowball continued to roll for Uecker. His experience broadcasting Brewers games both on radio and television gained Uecker national recognition as a play-by-play announcer for ABC Sports coverage of Monday Night Baseball, the League Championship Series and the World Series.

Uecker's accomplishments weren't limited to the electronic medium. A former catcher who spent six seasons in the majors, Bob authored a book entitled "Catcher In the Wry," a humorous look back on the years he spent with the Milwaukee-Atlanta Braves, St. Louis Cardinals and Philadelphia Phillies. One of his career highlights as a player came in 1964, when he was a member of the World Champion St. Louis Cardinals.

With all his national attention and success, Bob never forgot his roots. He lent his services in support of several local organizations, including the United Performing Arts Fund, the Midwest Athletes Against Childhood Cancer Fund, the Milwaukee Symphony, the Boys and Girls Clubs of Greater Milwaukee and Big Brothers/Big Sisters. In addition, he's an advocate for such organizations as cystic fibrosis, heart disease and the Wisconsin Department of Tourism. He also chairs the popular Bob Uecker Celebrity Fishing Tournament for Make-A-Wish Foundation.

For his efforts, Uecker was inducted into the Wisconsin Performing Artists Hall of Fame in 1993. The Hall of Fame was established in 1983 to honor nationally and internationally known performing artists with Wisconsin ties. In 1994, he was elected to the Wisconsin Broadcasters Association Hall of Fame. In January of 1995, he earned the "Big B.A.T." Award from the Baseball Assistance Team at a dinner in New York City for his continuing support of former Major League stars who are in need of support.

JIM POWELL

Radio Announcer

Jim Powell begins his sixth season as a member of the Brewers broadcast team. A highly regarded presence behind the mic, Powell was named the 1998 Wisconsin Sportscaster of the Year and is a three-time recipient of the Sportscaster of the Year in South Carolina having earned the award in 1990-1991 and 1995.

In addition to his duties on the Brewers' radio network, Powell has logged some time as a member of the Brewers' television team calling the action during the 1999 and 2000 seasons.

Keeping with the baseball theme during the winter months, Jim has served as co-host of "Talkin' Brewers," the hot-stove league show heard across the Brewers radio network since 1997. In addition, he fields baseball questions from fans around the world as host of the "Fan Forum" on the Brewers' website.

Powell began his Major League broadcasting career with the Minnesota Twins in a reserve role in 1993 and 1994. Prior to this, he accumulated extensive experience at the Minor League level serving as play-by-play announcer for the Charlotte Knights in 1990-91 and 1995 and the Columbia Mets from 1987-89 and 1993-94.

He has also dabbled at the collegiate level taking on play-by-play duties for the University of South Carolina baseball program in 1989 and 1994 as well as the University of Georgia baseball team in 1985-86.

Powell has received national exposure taking on play-by-play duties for CBS Radio for several college football

Milwaukee Brewers Announcers cont.

games including the 1997 Sun Bowl pitting Iowa against Arizona State. He has also moonlighted on Host Communications telecasts recently calling the action on the gridiron in the South Carolina/Vanderbilt tilt on October 21, 2000. He served as the color analyst for the South Carolina Football and Basketball programs from 1993-95 and hosted the Coach's shows for those two sports on television. Powell also did play-by-play for Davidson College basketball in 1990.

Active contributors in the community, Jim and his wife Emmy currently serve on the Board of Directors for the Child Abuse Prevention (CAP) Fund.

Powell attended the University of Georgia as a National Merit Scholar. He and Emmy have three daughters, Allie, Sabrina and Julia. The Powells reside in Delafield.

KENT SOMMERFELD

Radio Producer

Kent Sommerfeld is in his 16th season as the Producer of Milwaukee Brewers radio broadcasts. A Wisconsin native, he has acquired a wide range of experience during his tenure in the broadcasting field.

Sommerfeld has been the Radio Producer/Director for the Marquette University radio network since 1990 and hosted an interview segment during the team's pre-game programming during the 1995-96 season. He was named Director of Radio Operations for Marquette Basketball in 1999 and does play-by-play for the Marquette University

Women's basketball broadcasts.

Sommerfeld attended the University of Wisconsin-Whitewater where he earned a degree in communications and broadcast journalism. While at Whitewater, Kent was the sports director of Cable TV 6, a wing of Whitewater's cable system, as well as the co-host of "Sports Chat," a sports talk show on WSUW-Radio.

In addition to his radio accolades, Kent has worked with ESPN's technical staff on several events in the Midwest. He also worked at KRBC-TV, the NBC affiliate in Abilene, Texas as a sports/news photojournalist.

Born in Milwaukee, Sommerfeld attended Brookfield Central High School. He and his wife, -eleni-, have two sons, Peter and Luke, and reside in the Milwaukee area.

BILL SCHROEDER

Television Announcer

Bill Schroeder returns for his seventh season as the color commentator on Brewers telecasts providing his analysis for audiences throughout Wisconsin.

Popular with the fans, Schroeder has evolved into a natural in the booth since his career behind the mic began in 1994. He is familiar with the business of talking baseball, co-hosting "Baseball Sunday" in 1994 and "Talkin' Brewers" on WTMJ-Radio from 1998-2000.

A lifetime .240 hitter, Schroeder spent eight seasons in the big leagues with the Brewers and the California Angels enjoying a career-best .332 batting average in 1987. As an intricate member of Team Streak, Bill caught Juan Nieves' no-hitter on April 15, 1987, in the midst of the Brewers' Major League record-tying 13-0 start. In addition, he clubbed a career-high 14 home runs and had 42 RBI in a back-up role that season. Schroeder provided the highlight to perhaps his finest season in the Majors on June 14, 1987 at Yankees Stadium. Before family and friends, he collected four hits, including a game winning two-run homer, off New York ace Dave Righetti.

A cornerstone in the community since beginning his Major League career, he hosts the annual Bill Schroeder Celebrity Golf Classic in the Milwaukee area to benefit COA Youth and Family Centers, a Milwaukee charity which helps area children. In 1988, he was named the recipient of the Athletes For Youth Good Guy Award, while in 1984, he earned the club's Unsung Hero Award.

Schroeder graduated from West Windsor Plainsboro High School in Princeton, New Jersey, where he earned All-State honors his junior and senior years. He attended Clemson University, leading the Tigers to the Atlantic Coast Conference title in 1978 and 1979.

Born in Baltimore, Maryland and raised in Princeton, Schroeder was traded to the California Angels following the 1988 campaign before retiring in 1990. He has two daughters, Lindsey and Mallory, and a son, Billy, and resides in New Berlin.

MATT VASGERSIAN

Television Announcer

Named the Brewers lead television play-by-play announcer in February 1997, Matt Vasgersian (pronounced Va-SKER-jin) enters his fifth season as a member of the Brewers television team.

Broadcasts never see a dull moment with the youthful Vasgersian at the microphone. His enthusiastic and creative home run calls have become a staple of highlight reels on all of the major sports networks.

In addition to his duties with the Brewers, Vasgersian's baseball work has also included play-by-play on a national level with FX Baseball Saturday Night and FOX Sports Net Baseball Thursday. Additionally for the FX Network, Vasgersian teams with NFL Hall-of-Famer Lawrence Taylor as host of the Tough Man World Championship Series and moonlighted during the 2000 season as a game show host on FOX Sports Net's nightly trivia show, Sports Geniuses.

Recently adding football to his credits, Vasgersian handled play-by-play on NBC's telecast of the 2001 Toyota Gator Bowl on New Year's Day.

A 33-year old graduate of the University of Southern California, Vasgersian's baseball experience is extensive as he began his play-by-play career in 1991 in Huntington, West Virginia with the Chicago Cubs short-season Class A affiliate.

He ascended rapidly through the Minor League ranks with stops at High Desert (Class A, San Diego) in 1992, El Paso (Double A, Milwaukee) in 1993-94, Syracuse (Triple A, Toronto) in 1995 and finally Tucson (Triple A, Houston) in 1996. While in Syracuse, Matt teamed with FOX's Steve Lyons on the Baseball Across America Tour, a Minor League game of the week broadcast nationally on ESPN2.

Vasgersian has been a member of the Screen Actors Guild since his childhood. He appeared in an episode of "The Streets of San Francisco" and the hit movie "The Candidate" starring Robert Redford.

A self-proclaimed rock critic, Vasgersian has been seen on stage in the Milwaukee area performing lead vocals with the local group KB's Midlifecrisis. He can be heard throughout the year as a twice-weekly contributor on WKLH-FM's popular "Dave and Carole Morning Show" in Milwaukee.

Locally, Vasgersian serves as celebrity spokesman for the Milwaukee chapter of the Variety Club Children's Charities. He lives in Milwaukee.

LEN KASPER

Television and Radio Announcer

Len Kasper begins his third season as a member of the Brewers broadcast team. Len can be seen taking on play-by-play duties along with analyst Bill Schroeder on Brewers telecasts when Matt Vasgersian is on assignment. Kasper has also called some action in the Brewers radio booth teaming with Bob Uecker and Jim Powell during the 1999 and 2000 seasons.

Kasper, 30, brings over a decade of sports broadcasting experience to the Brewers. He is the morning and afternoon sports anchor at WTMJ Radio, the Brewers flagship, and is co-host of "Talkin' Brewers" during the baseball off-season. He hosts "Packer Sunday," the Packers Network post-game call-in show during the NFL season and has represented the Brewers during the off-season on the club's Wisconsin winter tour.

Kasper was chosen as one of Milwaukee's 40 Under 40 for 1996 by The Business Journal, which highlights those under the age of 40 who are deemed "Milwaukee's next generation of business and community leaders."

A Michigander by birth, he graduated summa cum laude from Marquette University in 1993. Kasper and his wife, Pam, live in Fox Point, Wisconsin.

ROBERTO CLEMENTE AWARD

Presented by John Hancock

Since 1970, Major League Baseball has annually presented an award (originally known as "The Commissioner's Award") which recognizes the player who best exemplifies the game of baseball, sportsmanship, community involvement and the individual's contribution to his team. The award, now sponsored by John Hancock Financial Services, recognizes those individuals who truly understand the value of helping others.

In 1972, following the tragic death of Roberto Clemente, the award was renamed to honor the man whose spirit and goodwill will always be remembered. The 12-time All-Star and Hall of Famer was killed in a plane crash on New Year's Eve, 1972, while delivering food and medical supplies to earthquake victims of Nicaragua.

Early in the season, each team will be asked to submit three candidates to MLB. A local panel formed by John Hancock Financial Services made up of local community representatives will select a nominee from each club. A panel of baseball dignitaries, including Vera Clemente and Commissioner Allan H. (Bud) Selig, will then select a winner from the list of 30 nominees. The winner of the Roberto Clemente Award will receive a \$25,000 donation from John Hancock Financial Services for the local charity of his choice at an on-field ceremony during the World Series. John Hancock will also make a cash contribution to the Roberto Clemente Foundation and to each nominee's local charity.

Past winners include Al Leiter (2000), Tony Gwynn, Sammy Sosa, Willie Mays, Lou Brock, Ozzie Smith, Cal Ripken, Jr., Kirby Puckett and others.

John Hancock is a proud sponsor of Major League Baseball and the title sponsor of The John Hancock All-Star FanFest, an interactive "Baseball Heaven on Earth" held in conjunction with MLB's All-Star Game.

Milwaukee Brewers **GOLD CLUB**

The Milwaukee Brewers Gold Club is the volunteer sales force designed to assist the Milwaukee Brewers with their season ticket sales efforts. The club acts as an external extension of the Brewers integral sales force. The Gold Club consists of civic-minded individuals from throughout the Greater Milwaukee area.

In addition to helping the Brewers sell season tickets, the Gold Club is instrumental in drawing the Milwaukee Brewers and the business community into a closer relationship. Gold Club members serve as ambassadors for the ball club in promoting the many benefits Major League Baseball brings to Milwaukee and the state of Wisconsin. The Gold Club is valued for its contribution to the Brewers organization in the long term success and stability of the franchise.

Headed by the Brewers' Geoff Campion, and assisted by Irene Bolton, the Gold Club was created in February of 1992. The group is patterned after other clubs who have had successful private sales forces such as the Royal Lancers in Kansas City (created in 1969) and the Designated Hitters in Baltimore (1979).

BASEBALL FOR WISCONSIN Corporate Partnership Program

The Baseball for Wisconsin Corporate Partnership Program was established in 1995 in conjunction with the MMAC and the Greater Milwaukee business community, to assist the Milwaukee Brewers in selling season tickets. It is a unique sales program to both the Brewers and Major League Baseball.

Baseball for Wisconsin is an employee benefit sales program. To implement the program, the Brewers team up with companies on a mutually agreeable subsidy. This in turn permits the Brewers to sell season ticket packages to employees within the particular company through a special internal ticket sales program. The company subsidy is used in order to offset the total cost of the various ticket packages to employees. The Brewers are able to sell more ticket packages because of the minimal cost to company employees, and the company is recognized as a corporate sponsor of the Brewers as well as receiving other mutually agreeable benefits. Upon company approval, the Milwaukee Brewers will run all aspects of the program while the employee benefits are reflected as coming solely from the participating company.

By taking advantage of this program, company employees can secure preferential seating in Miller Park and can enjoy all of the benefits of being a season ticket holder at a considerable discount.

Interested companies who would like to participate in the program or need further information are encouraged to contact the Brewers sales office at 414-902-4100.

MARYVALE BASEBALL PARK

The Brewers return to beautiful Maryvale Baseball Park for their fourth Spring Training in 2001. Considered to be the jewel of all spring complexes, the Brewers are in the midst of a 15-year lease through 2012 which has helped to revitalize the Maryvale neighborhood.

The facility, opened in 1998, includes 7,000 permanent seats as well as 1,000 lawn seats. The complex features eight fields, including two half fields. The Brewers Minor League players also train at the Maryvale complex across the street from the Major League facility.

John F. Long, a longtime Valley developer, donated 56 acres of land to make this beautiful complex a reality. With Maricopa County, the Maryvale County Stadium District and the city of Phoenix providing resources, Maryvale is the foundation for future neighborhood development. Overseeing the operations of the Maryvale Baseball Park is the Phoenix Parks and Recreation Department.

The primary architect on the ballpark was Ellerbe Beckett of Phoenix, Arizona.
